Le recordamos que la Asociación provee una calculadora de estos aranceles en su página www.anotapr.org

Es importante acordarse que en los casos de hipotecas en las cuales se reserva un por ciento para ciertos créditos adicionales garantizados. Esta tabla no considera este por ciento y por lo tanto al calcular los sellos de rentas internas de hipotecas que tienen un por ciento del principal reservado como indicamos, debe utilizar la línea que incluya dicho por ciento. Ejemplo: Hipoteca de \$140,000 – utilice la línea de \$154,000. La calculadora en nuestra página provee para calcular el por ciento si usted lo indica al entrar los datos relacionados con la hipoteca.

LEY HIPOTECARIA Y DEL REGISTRO DE LA PROPIEDAD Y SU REGLAMENTO

30 L.P.R.A. Sec 1767a et seq.

§1767a. — Derechos a pagar – Arancel

El arancel de los derechos que se han de pagar en lo sucesivo por las operaciones del Registro de la Propiedad, en la forma que las secciones 1767a a 1767e de este título disponen, será el siguiente:

ARANCEL DEL REGISTRO DE LA PROPIEDAD

Número Uno. – Por el asiento de presentación, nota marginal y nota al pie del título, respecto a cada documento cuya inscripción, anotación, cancelación o nota marginal de derecho se solicita, se pagaran diez (10) dólares. De los derechos que se recauden por este concepto, ocho (8) dólares ingresarán en un fondo especial separado y distinto de todo otro dinero o fondo perteneciente al Estado Libre Asociado de Puerto Rico, el cual estará bajo la custodia del Secretario de Hacienda para el uso exclusivo del Secretario de Justicia a fin de sufragar los costos de diseño, establecimiento y funcionamiento de un sistema de modernización y mecanización del Registro de la Propiedad en todo Puerto Rico. Los recursos que ingresen al fondo especial podrán utilizarse por el Secretario de Justicia para, entre otros propósitos, la adquisición, arrendamiento, instalación, adaptación, mantenimiento o reparación de equipo, para el nombramiento, adiestramiento y contratación de personal consultores técnicos, para el arrendamiento de locales, para la adquisición de materiales, para la adopción de reglamentación y para cualquier otro gasto relacionado con el diseño, establecimiento y funcionamiento del sistema de modernización y mecanización que adopte el Secretario de Justicia.

Podrá asimismo el Secretario recibir aportaciones y donativos para el fondo especial provenientes de personas y entidades privadas, así como de agencias y corporaciones públicas del Gobierno Estatal, de los gobiernos municipales y del gobierno federal. El fondo especial aquí creado podrá recibir recursos provenientes del pago de derechos por otras actividades, transacciones y operaciones registrales cuando así se disponga expresamente por ley al efecto.

Nada de lo antes dispuesto impedirá, sin embargo, que este fondo especial sea usado para satisfacer anticipadamente gastos necesarios para el eficiente funcionamiento del Registro de la Propiedad relacionados con la adopción del sistema de modernización y mecanización, cuando para tales propósitos se hayan solicitado fondos y no hayan sido recibidos, los que serán reembolsados con cargo a dichos fondos cuando se reciban.

El Secretario de Justicia someterá anualmente un informe sobre el plan de modernización y mecanización del Registro, sus metas, logros alcanzados, impedimentos, gastos incurridos y estado financiero del fondo especial aquí

creado. Dicho informe se someterá al Gobernador de Puerto Rico y a la Asamblea Legislativa durante el transcurso de la sesión legislativa ordinaria.

De ser necesario, el Secretario de Justicia podrá tomar dinero a préstamo en los términos que resulten más beneficiosos para el interés público, con el propósito de agilizar la modernización y mecanización del Registro de la Propiedad conforme al plan previamente establecido. Disponiéndose, que el Secretario garantizará con los recursos del fondo especial que se crea mediante esta ley el pago de las obligaciones que así se contraigan.

El Secretario de Justicia rendirá semestralmente al Secretario de Hacienda y al Contralor de Puerto Rico un informe de los fondos recaudados, los gastos incurridos y pagados, obligaciones contraídas, propiedad y equipo adquiridos y cualesquiera otra transacción financiera llevada a cabo como parte del plan de modernización y mecanización registral.

Una vez se hay completado la implantación del plan de modernización y mecanización del Registro de la Propiedad que adopte el Secretario de Justicia y luego de satisfechos todos los gastos de su implantación, se suprimirá el fondo especial aquí creado y las sumas que se recauden por concepto de los derechos correspondientes al asiento de presentación, ingresarán al fondo general.

§1767b. —Normas

El arancel establecido en los números 1 al 14 anteriores (de la sec. 1767a de este título) regirá de acuerdo con las normas que rigen:

Primera.—Cuando se haga una transmisión de finca o derecho a título gratuito, bien sea por donación, renuncia de derecho u otro cualquier acto, se estimará como valor de la finca o derecho el valor aceptado preliminarmente por el Secretario de Hacienda según conste en el certificado de cancelación de gravamen expedido por dicho funcionario.

Segunda. —En los casos de comunidad de bienes inscritos se cobrarán los derechos arancelarios sin tomar en consideración el número de miembros de la comunidad o transmitentes y adquirientes de la finca o derecho de que se trate. Si el registro del título se pide exclusivamente por uno o varios miembros de la comunidad, deberán cobrarse los derechos respecto al valor total de la participación o participaciones de que se trate.

Tercera. —En cuanto a los derechos de usufructo, uso y habitación se considerará que el valor de los mismos, cuando no conste del título es el de la cuarta parte del valor de la finca; y respecto de la nuda propiedad de las tres cuartas partes restantes.

Cuarta. —En los casos de segregación y venta de fincas o partes de ellas se cobrará exclusivamente por el precio de la transmisión o transmisiones hechas. Si únicamente se verifica la segregación, ésta devengará derechos con arreglo al valor que a la misma corresponda.

Quinta. —Cuando se trata de agrupación de finca, cualquiera que sea la forma en que se realice, se cobrarán los derechos por el valor que corresponda a la nueva finca o a la agrupación considerada en su unidad. Y se aplicarán a los casos de agrupación y venta y de simple agrupación, lo establecido en la regla anterior para la segregación.

Sexta. —Si el valor de cada finca que el inmueble tenga según la tasación oficial para el pago de contribuciones de la propiedad.

Séptima. —En los arrendamientos servirá de base para fijar los derechos arancelarios la cantidad que se haya de ser pagada por concepto de renta o canon durante el término del contrato o el del importe de doce anualidades; de entre éstos, el que resultare menor. A los fines de esta disposición, en ninguno caso se tomarán en consideración las prórrogas.

Octava. —Las hipotecas y las cancelaciones pagarán derechos sólo para la inscripción de la cantidad principal garantizada.

Novena. —Se cobrará la totalidad de los derechos cuando el asiento de inscripción, anotación, cancelación, liberación o nota marginal de derecho sea denegada y en su lugar se tome la correspondiente anotación preventiva. Si posteriormente procediera la conversión en asiento definitivo del derecho denegado, dentro del término que dure la anotación preventiva extendida, la conversión se hará libre de pago de derecho.

Décima. —Cuando se desista por el interesado de la certificación solicitada antes de la expedición de la misma se devolverá al interesado el comprobante de derecho radicado con la solicitud.

Undécima. —Para graduar los derechos respectos a inscripciones, anotaciones preventivas y cancelaciones de servidumbres si en el documento no se valoran dichos derechos se cobrará diez (10) dólares por cada asiento.

Duodécima. —En caso de enajenación, cesión o compraventa de fincas gravadas con hipotecas según el Registro de la Propiedad, de no constar del documento la inclusión de dichas hipotecas en el precio de venta, se tomará como base el precio de la enajenación, cesión o compraventa o la suma total de las hipotecas, lo que resulte mayor a los efectos de cancelación de los correspondientes derechos de inscripción.

§1767c. —Forma de pago

Los derechos que se devengan por las operaciones registrales según lo dispuesto en las secs. 1767a a 1767e de este título, se pagarán en las Colecturías de Rentas Internas del Estado Libre Asociado de Puerto Rico. El Colector expedirá un comprobante de pago debiéndose entregar el original y una copia del mismo al contribuyente. La copia del comprobante será entregada al presentarse el documento o los documentos en la Sección correspondiente del Registro de la Propiedad de Puerto Rico. El registrador conservará las copias y formará legajos de las mismas por años fiscales, procediendo a destruir las copias que pertenezcan a todos los documentos despachados con anterioridad a la fecha en que terminó la última intervención de la Oficina del Contralor, procediendo de igual manera en las intervenciones futuras. El contribuyente solicitará por separado un comprobante de dos (2) dólares para el asiento de presentación hasta un máximo de tres comprobantes por el total de los derechos de inscripción.

El registrador anotará el número, la cantidad y fecha de los comprobantes de pago en el libro de presentación o de registro según sea el caso, y en las copias certificadas de los documentos.

En aquellos casos en que los documentos de pago expedidos para estos propósitos no fueren utilizados por el contribuyente, éste solicitará el reintegro de los derechos así pagados mediante solicitud por escrito al Secretario de Hacienda acompañando el original y la copia del comprobante de pago originalmente expedido.

Cuando el importe de los comprobantes de pago exceda de los derechos registrales determinados por el registrador para la inscripción de cualquier documento el contribuyente podrá obtener el reintegro de lo

pagado en exceso siempre que así lo solicite por escrito al Secretario de Hacienda y acompañe el original del comprobante de pago originalmente expedido con una certificación bajo la firma del registrador donde se haga constar el monto de los derechos reintegrables al contribuyente.

§1767d. —Presentación del comprobante de pago

No se aceptará para presentación en el Registro de la Propiedad de Puerto Rico ningún documento al cual no se acompañe los correspondientes comprobantes de pago del total de los derechos devengados por las secs. 1767a a 1767e de este título, debiendo el registrador poner constancia escrita de ello al pie del documento, si así lo solicitare el interesado. De la actuación del registrador podrá recurrirse al Tribunal Supremo de Puerto Rico mediante la radicación del correspondiente recurso gubernativo; Disponiéndose que si el interesado deseara acogerse a la protección de sus derechos deberá radicar el pago total de los derechos exigidos por el registrador de la propiedad antes de perfeccionarse el recurso gubernativo.

§1767e. —Limitación del asiento de presentación.

Cuando el presentante solicitare por escrito el asiento de presentación, el registrador de la propiedad requerirá de éste la entrega de un nuevo comprobante de pago de los derechos por las operaciones registrales a efectuarse y devolverá a dicho presentante el comprobante de pago originalmente entregado.
